

8 REASONS WHY YOU SHOULD SEND YOUR INCREDIBLY HARD-WORKING EMPLOYEE TO THE INNOVATORS, ENGINEERS & ENTREPRENEURS WORKSHOP

1 PRACTICAL, APPLICABLE LEARNING GUARANTEED!

The lineup of speakers at the Innovators, Engineers & Entrepreneurs Workshop includes some of the most knowledgeable innovators in the world. This is the kind of learning that your employee can put straight to work when he or she returns to the office!

2 FAST FORWARD TO THE FUTURE!

We cover the future of technology uses in many domains: Power & Energy, the Internet of Things, Biomedical Devices, Privacy, Cybersecurity, Autonomous Vehicles and Drones, Wearables, Robotics, and the list goes on....

3 PROBLEM SOLVING

There will be lots of time for discussing vexing problems with some of the most knowledgeable people on the planet! We encourage attendees to bring their ideas and brainstorm with others!

4 CROSS-DISCIPLINE NETWORKING

Many of the greatest innovations occur when an expert in one domain hears about developments in another domain! Boing! The sparks fly!

5 REAL WORLD EXAMPLES

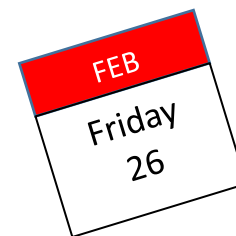

Our speakers are all professionals who have built amazing products, some of which have changed the (REAL) world!

6 BRING IT ON HOME!

Once your employee has encountered all these cool ideas, he or she can bring them back to the office! We'll have videos to help them explain what they've learned to others!

7 IT'S ONLY ONE DAY!

If you can't spare your employee for one day, it is clearly time for some innovation!

8 AND FINALLY...

Your employee has been working really hard! Give his or her brain an opportunity to recharge!
